I'm an obsessive fan, crazed collector and pop culture sponge.

I'm a newsman by day. I write, edit and share stories. I ask questions, fuss over facts and lead a team of hungry creatives.

Proper punk rock punches your gut. Real ska sucks your soul in. I host **The VOID** because the best things are said simply ... and because The Misfits make me.

I work at **thespyfm.com** because music moves me. I listen to the **thespyfm.com** because I know I'm not alone.

I'm **Joe Wertz** and **I Spy.**
