I shoot weddings,  
concerts, music  
videos and horror  
photography.

I love the Coen  
Brothers, girls who  
wear too much mascara  
and my pug Chloe.

I tell people to listen to  
**thespyfm.com** because it  
isn't just a radio station – it's  
the glue that connects every  
artist to one another in the OKC area.  
I call it Ferris Glue.

My name is **Doug Schwarz** and **I Spy.**
