

thespyfm.com

I'm a multi-media cheerleader for OKC who obsessively counts calories but maintains that chocolate is calorie-free.

I'm passionate about The Beatles (George in particular), cats and doing anything that involves heights.

I work at **thespyfm.com** because it's the new face of radio — specializing in building communities, playing original music and supporting all things local.

My name is **Lacey Lett** and **I Spy.**

Lacey Lett

Host of the Oklahoma Rock Show, 7 in Seven; Columnist for Look@okc

the  **spy**™

the independent sound of Oklahoma City
